

STEPHEN FIELDING

GRAPHIC DESIGNER

ABOUT ME

The moment I saw Star Wars as a child I've had a unwavering passion for all things Film and TV. Since breaking into the industry full time in 2016 I've enjoyed every second of it and am looking to continue my development in 2022 and beyond.

SKILLS

Over ten years experience in Adobe Photoshop, Illustrator and InDesign.

Experienced Motion Graphic designer within Adobe After Effects, Cinema 4D and Blender

Professional Video Editing experience, working with Avid, Premiere and Final Cut Pro.

Responsive Web Design - Frontend HTML and CSS as well as e-shots, wordpress and other cms'

Photography and Video experience with various high end and low end cameras.

Limited Experience with Unity Game Engine and Android Studio.

Currently working developing my Sketch Up and Autocad abilities
